## Joint BTS/ MinSouth Meeting

# North Yorks Polyhalite Project

# Mineral Transport System

Speakers :

**Craig Sewell & Jason Fawcett** – Strabag

Since 2019, Strabag have been undertaking construction of the Mineral Transport System for the North Yorks Polyhalite Project. This includes a 37km long segmentally lined tunnel and a 370m deep shaft at Lockwood Beck

The presentation will cover the extensive work being undertaken on the project and an update on the progress of the project to date.

**Note: Lecture and the Q&A will be broadcasted live on YouTube**
